## New York State 2018 Clinical Conference on HIV and Hepatitis C: Leading the Way to Leave No One Behind

---

Friday, April 27, 2018  
Hyatt Regency Rochester  
125 East Main Street  
Rochester, NY 14604

---

*The Mount Sinai Institute for Advanced Medicine and the New York State Department of Health AIDS Institute Clinical Education Initiative welcome your proposal to share your clinical expertise, innovative strategies, cutting-edge ideas, and measurable implementation plans with conference attendees!*

*The goal of this conference is to enhance the capacity of New York State clinicians to provide high quality and clinically sound HIV and Hepatitis C prevention and care. Due to its clinical focus, all conference presentations must be geared towards medical providers including physicians, physician assistants, nurses, nurse practitioners, certified nurse midwives, dentists, and pharmacists.*

**For more information or to submit your abstract proposal, visit**
