Collaboratively staffed by RecoveryNet OASAS Certified Treatment Providers to determine appropriate level of care, to identify first-available treatment slot and to arrange for transportation to that site if needed.
We encourage you to ask your medical or dental provider the following questions if a narcotic pain medication is discussed:

- Are there risks associated with taking narcotic pain medications?
- How long can I safely take this narcotic pain medication?
- How would I know if I have become addicted to a narcotic pain medication?
- Are there other options or safer alternative therapies to better respond to pain?
